Sarasota, FL 34239

Privacy Protection Notice

We only use your personal information to help transact the business you have with us. We have established policies to maintain physical, electronic, and procedural safeguards to ensure the confidentiality of your personal information. We do not sell or share information about you for marketing purposes. None of your personal or medical information will be used without your prior written consent.

A records release must be signed by you for release of any information to physicians, or other practitioners that you may wish to receive your information. We will also need your permission to release any information to your family and immediate friends. Please list below anyone that you would like us to be in communication with about your information and your condition.
